From a Couple of Old-Timers

Houghton, Mich., July 22, 1913.

Mr. James J. Menzies, Yale, Mich.

My Dear Mr. Menzies—I have re-
ceived with great pleasure the invita-
tion to attend the home coming and
reunion of the old boys and girls to be
held at Yale on August 26-7-8, and
it is with sincere regret that I must
announce my inability to be present
at that time.

School opens here on September 1
and I must be here sometime before it
opens; consequently it will be im-
possible for me to be there. I ex-
pect to be in Yale either the 5th or
10th of August and wish that the
home coming were at that time so
that I could meet my friends and ac-
quaintances. I wish you, however,
the very best of success with the
gathering and trust that many will
return to their old stamping grounds.

Sincerely your friend,
J. A. DOELLE.

Flint, July, 28th, 1913.

Mr. James Menzies, Yale, Mich.

Friend Jim—I want to thank you
for remembering me with an invita-
tion to your home coming, August
26-7-8, and only hope I can be with
you on that occasion.

I still have a warm spot in my
heart for Yale and hope that every
one that ever lived in Yale will re-
turn on those dates.

I am manager of one of Leeds
Woolen Mills stores in Flint and do-
ing a fine business. We have a chain
of eleven stores in this state and
anticipate starting more as soon as
we find the locations.

Hoping to see you and all Yale
friends in August.

I am yours truly,
W. H. LANE.

Blue Ribbon Races

What probably will be the most in-
teresting part of the grand circuit was
ushered in this week when the horses
began to race at Grand Rapids. The
sport will have three consecutive
weeks in this state, something that
does not occur elsewhere in the
Union. After the five days at Com-
stock Park, the stables will spend as
much time at Kalamazoo, then fol-
lows the twenty-ninth annual Blue
Ribbon meeting of the Detroit Driv-
ing club, the greatest of them all.

Stakes which are international in
fame will be renewed at this carnival
of speed. The best horses in the
states and Canada, will be on hand to
take part in them, and in view of the
extreme speed shown so far it is
fair to look for the sensations of the
season on the fast track of the Michi-
gan state fair where the grand cir-
cuit races are held.

Preliminary skirmishes in the
grand circuit are watched closely be-
cause of the relation they have to the
seven stakes and early closing purses
which are a part of the Blue Ribbon
program. Among those in the Mer-
chants' and Manufacturers' stake, the
ranking classic of the trotting turf,
that have done something worth while
are Star Winter, Zulabel, Judson Girl
and Santos Maid, all of them win-
ners. As many others have shown
form which entitles them to considera-
tion, so that the \$10,000 stake looms up
like a real horse race.

Del Rey, Stetbrino Lad, Frank Bo-
gash, Jr., and a few other pacers
which are to start in the Chamber of
Commerce stake at Detroit have
shown their class and others will be
getting into the limelight this week
and next. The 2:05 pacers have had
some mighty struggles and several of
them were not quite up to extreme
speed will be ready for Walter Cochato
and Longworth E. when they strike
the Michigan metropolis.

The three-year-olds that will take
part in the matron stakes are a splen-
did lot and to those now racing will
be added a number that are training
in Kentucky. So from every angle
the Outlook is for sport of the high-
est order at the Blue Ribbon meeting
which is to be held August 11 to 15
this year and over a lightning fast
track.

Do You Want this \$25 Machine for \$3.98

Beautiful \$25
Hornless Sym-
phony Talking
Machines

To Customers
of this Store...

These machines are to be given to our customers at this ridiculously
low price, to advertise a well-known disc talking machine record. The
manufacturers of this record are of the opinion that if several hun-
dred of their machines were placed in that many homes in this vicinity,
it would create an enormous demand for their Disc Records.

The instruments are now on display in our windows - call and see
them - you don't realize what a sensational offer this is until you
actually see the machine and hear it played. Truly - it is wonderful -
This instrument is of the very latest modern improved type - the records
are marvelously clear. They reproduce the human voice to such per-
fection that one not seeing the machine would scarcely believe it was a
talking machine and not a person singing or talking. And an Orchestra
recreation of this make are declared by musical experts the most per-
fect reproductions ever rendered. HOW TO GET ONE OF THESE
MACHINES FOR \$3.98 - Commencing with this date a free talk-
ing machine coupon will be given with every purchase, amounting to
the amount of your sale. For example, if your purchase amounts to \$4.50
you will receive coupon for 1 1/2 machines - you save \$2.50. Now, you
have a total amounting to \$2.50 worth of coupon - bring them in and exchange them for a
talking machine, as follows: - You pay only \$3.98. We are in the act of clearing out
agents for the manufacturer, and ask that you, out of a price a lot less than the
their make of records which are superior to others. We have a number of records of
these records now in stock which will please you. These are the very latest up-to-date
popular songs, hits, band and orchestra numbers, etc. We are glad to play these for
you. Please call.
